Net2Phone

Managing Director Asia Pacific

February 2002 - April 2005 (3 years 3 months)
Singapore

I established Net2Phones presence in India and after 12 months we controlled 62% market share of retail VoIP minutes. Following on, I then established a regional office and team for Net2Phone in Singapore, from company registration onwards.

Defined, developed and implemented the Regional Strategy for Asia Pacific and India with P/L responsibility with focus onto 16 diverse major markets.

- A key requirement was strategic planning sessions on future systems and the impact of convergence for fixed and mobile operators, including “How to commercialize a move to VoIP?”

• Initiated and negotiated strategic partnership agreements with regional Telco's, Mobile Operators and ISP's in: Thailand, India, Philippines, Hong Kong, Vietnam, Indonesia and Taiwan in addition to development of a regional dealer network.
